Glossary: Main services

Allegro Paczkomat® 24/7 InPost

A service for Allegro Dealers enabling the collection of parcels using a user-friendly, automatic parcel machine - the InPost Paczkomat®. It includes the option of a free return and is subject to additional insurance coverage of up to PLN 5 000. Possible forms of dispatch: Paczkomat device, PaczkoPunkt or collection by courier. Maximum shipment size: 41x38x64 cm. Maximum weight: 25 kg.

Glossary: Additional services

Additional cover	A service available for insured Shipments (as defined by the Terms and Conditions) containing commercial goods or valuable items up to the gross value specified.
Cash on Delivery up to PLN 5 000 (COD)	The cash on delivery service (COD) allows to order a shipment with the option of making the payment by the Recipient, before its collection. Maximum amount collected – up to PLN 5 000.
Pick-up service	Payable Courier pick-up visit at dispatching a specific number of shipments. The service is included in the price for sending a Shipment, if the Sender orders dispatching 5 (five) or more Shipments or elements at once, and the Shipments being sent based on the Terms and Conditions for the provision of the „Allegro Courier „ service provided by InPost Sp. z o.o. and the Regulations for the provision of the „Allegro Courier” service by InPost Sp. z o.o., they are added together for the purpose of determining the remuneration due for their collection by the courier.

Glossary: Additional fees

To avoid fees – make sure you correctly declare the size of the shipment when creating the label and that your shipment does not exceed the maximum weight and dimensions.

Verification of the Shipment when changing the size*	The fee is charged when sending a shipment, the actual size of which is inconsistent with the size declared. When creating a shipment, remember to select the right size in terms of the minimum and maximum height and width.
Verification of the weight and size of the Shipment*	The fee is charged in two cases: a) exceeding the maximum permissible weight for shipments (25 kg), or b) exceeding any of the maximum dimensions for shipments of the Size C 410 x 380 x 640 mm (height x width x length). The fee for Verifying the weight and dimensions of the shipment is charged together with the fee for treating the Shipment as oversized.
Fee for treating a Shipment as oversized*	The fee is charged in two cases: a) exceeding the maximum permissible weight of shipments (25 kg), or b) exceeding any of the maximum dimensions for shipments of the Size C 410 x 380 x 640 mm (height x width x length) The fee for treating the Shipment as oversized is charged together with the fee for Verifying the weight and dimensions of the Shipment. To avoid payment - do not send shipments exceeding the maximum dimensions.

Glossary: Additional fees

Oversized Shipment – size above 500 x 500 x 800 mm or weight in excess 30 kg*	<p>The fee is charged in two cases:</p> <ul style="list-style-type: none">a) exceeding the weight of 30 kgb) exceeding any of the dimensions of 500 x 500 x 800 mm (height x width x length). <p>Important note - this fee is charged together with the fee for Verifying the mass and size of the Shipment and the Fee for treating the Shipment as oversized.
