# Dictionary: Additional Services

<b>Additional insurance</b>	A service available for insured Shipments (as defined by the Terms and Conditions) containing commercial goods or valuable items up to the gross value specified.
<b>Collection on delivery up to PLN 5 000 (COD)</b>	The cash on delivery service (COD) allows to order a shipment with the option of making the payment by the Recipient, before its collection. Maximum amount collected – up to PLN 5 000.
<b>Courier pick-up service</b>	Payable Courier pick-up visit at dispatching a specific number of shipments. The service is included in the price for sending a Shipment, if the Sender orders dispatching 5 (five) or more Shipments or elements at once, and the Shipments being sent based on the Terms and Conditions for the provision of the „Allegro Courier „ service provided by InPost Sp. z o.o. and the Regulations for the provision of the „Allegro Courier” service by InPost Sp. z o.o., they are added together for the purpose of determining the remuneration due for their collection by the courier.

# Dictionary: Additional Fees

To avoid fees – make sure you correctly declare the size of the shipment when creating the label and that your shipment does not exceed the maximum weight and dimensions.

<b>Verification of the Shipment when changing the size*</b>	The fee is charged when sending a shipment, the actual size of which is inconsistent with the size declared. When creating a shipment, remember to select the right size in terms of the minimum and maximum height and width.
<b>Verification of weight and size of the Shipment*</b>	<p>The fee is charged in two cases:</p> <ul style="list-style-type: none"><li>a) exceeding the maximum permissible weight for shipments (25 kg), or</li><li>b) exceeding any of the maximum dimensions for shipments of the Size C 410 x 380 x 640 mm (height x width x length).</li></ul> <p>The fee for Verifying the weight and dimensions of the shipment is charged together with the fee for treating the Shipment as oversized.</p>
<b>Fee for treating Shipment as oversized*</b>	<p>The fee is charged in two cases::</p> <ul style="list-style-type: none"><li>a) exceeding the maximum permissible weight of shipments (25 kg), or</li><li>b) exceeding any of the maximum dimensions for shipments of the Size C 410 x 380 x 640 mm (height x width x length)</li></ul> <p>The fee for treating the Shipment as oversized is charged together with the fee for Verifying the weight and dimensions of the Shipment.</p> <p>To avoid payment - do not send shipments exceeding the maximum dimensions.</p>
<b>Oversized Shipment – size above 500 x 500 x 800 mm or weight in excess of 30 kg*</b>	<p>The fee is charged in two cases:</p> <ul style="list-style-type: none"><li>a) exceeding the weight of 30 kg</li><li>b) exceeding any of the dimensions of 500 x 500 x 800 mm (height x width x length).</li></ul> <p>Important note - this fee is charged together with the fee for Verifying the mass and size of the Shipment and the Fee for treating the Shipment as oversized. To avoid payment - make sure your package does not exceed the dimensions and weight mentioned above.</p>
<b>Contractual penalty*</b>	For violations of regulations specified in the paragraph 5 s. 5 of the Regulations of the Parcel Locker Paczkomat® 24/7 service the Operator may impose a contractual penalty on the Sender in the amount specified in this Price List for violations.

\*the fees do not apply to Senders being Consumers

The provisions of the Regulations for the provision of the „InPost Paczkomat Allegro 24/7” service provided by InPost Sp. z o.o., in force on the day of sending the Shipment, in particular in the scope of the terms used in the Price List and the services provided, shall apply to this Price List. This Price List (treated independently and without an explicit connection with other InPost offers) does not constitute an offer within the meaning of the provisions of the Polish Civil Code.
