| <b>Non-standard parcel</b> | A non-standard parcel is a parcel with a shape other than a cuboid, including round, cylindrical, or oval, with irregular shapes, or with protruding elements. Applies to Austria and Hungary.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                 | n/a                        | Fee for a parcel, one of the dimensions of which in the case of the country of delivery:<br>a. Hungary, exceeds 110 cm or has total dimensions (length + width + height) exceeding 210 cm;<br>b. Austria, exceeds 100 cm or has total dimensions (length + width + height) exceeding 220 cm. The non-standard parcel also includes items with round, cylindrical, or oval shapes, irregular shapes, and/or protruding elements.                                                                                                                                                                                                                                                                                                                                                |

To avoid charges – make sure you correctly declare the size of the parcel when creating the label, and that your parcel does not exceed the maximum weight and dimensions. More details on dimensions, classification of parcels and correct ways of packaging can be found in the document **Guidelines for the preparation and packaging of InPost International parcels** at <https://inpost.pl/regulaminy>.

| Additional fee                                                                  | InPost International                                                                                                                                                                                                                                                                      | International Fast Returns | InPost International Courier                                                                                                                                      |
|---------------------------------------------------------------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|----------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Parcel verification after changing the size</b>                              | The fee is charged in the event of sending a Shipment whose actual size is inconsistent with the declared size. When creating a shipment, remember to choose the right size of the parcel with regard to its minimum and maximum height and width.                                        | n/a                        | n/a                                                                                                                                                               |
| <b>Oversized Parcel handling fee</b>                                            | The fee is charged in two cases:<br>a. exceeding the maximum permissible weight for Shipments (12 kg) for Hungary,<br>b. exceeding the maximum permissible weight for Shipments (25 kg) for other countries of delivery, or exceeding any of Size C depending on the country of delivery. | n/a                        | n/a                                                                                                                                                               |
| <b>Verification of the weight and size of the Parcel</b>                        | n/a                                                                                                                                                                                                                                                                                       | n/a                        | The fee is charged in the event of non-compliance with the real weight or size. To avoid a fee – make sure you provide the exact size and weight of the Shipment. |
| <b>Oversized Parcels – larger than 500 x 500 x 800 mm or heavier than 30 kg</b> | The fee is charged in two cases:<br>a. exceeding the weight of 30 kg for Shipment, or<br>b. exceeding any of the dimensions of 500 x 500 x 800 mm (height x width x length).                                                                                                              | n/a                        | n/a                                                                                                                                                               |
| <b>Oversized parcel fee</b>                                                     | n/a                                                                                                                                                                                                                                                                                       | n/a                        | The fee charged in the event of exceeding the weight of the parcel reserved in the Regulations for a given country.                                               |

| <b>Return to Sender</b>        | <p>In cases specified in the Regulations, in particular in the absence of a recipient, refusal to accept the parcel or an incorrect address, the Operator will return the Shipment to the sending address. The fee for returning the parcel is equal to 100% (country of delivery: France, the Netherlands, Luxembourg, Belgium, Italy, Spain, Portugal) or 110% (Austria, Hungary) of the net fee paid when sending it (increased by VAT), with the proviso that it will be equal to the net fee for the Shipment according to its actual weight and dimensions determined by the Operator (increased by VAT), in the event of differences between the actual weight and dimensions and those declared by the Customer.</p> | <p>In cases specified in the Terms and Conditions, in particular where the Business Client to whom the return is addressed does not accept the Parcel or delivery proves impossible, the Operator shall return the Parcel to the Sender of the Return. The fee for the return of the Parcel is equal to 100% (country of return dispatch: Belgium, France, Spain, Netherlands, Luxembourg, Portugal, Italy) or 110% (Austria) of the net fee paid at the time of dispatch (increased by the applicable VAT).</p> | <p>In cases specified in the Regulations, in particular in the absence of a recipient, refusal to accept the parcel or an incorrect address, the Operator will return the Shipment to the sending address. The fee for returning the parcel is equal to 100% (country of delivery: France, the Netherlands, Luxembourg, Belgium, Italy, Spain, Portugal) or 110% (Austria, Hungary) of the net fee paid when sending it (increased by VAT), with the proviso that it will be equal to the net fee for the Shipment according to its actual weight and dimensions determined by the Operator (increased by VAT), in the event of differences between the actual weight and dimensions and those declared by the Customer.</p>                                          |
| <b>Contractual penalty</b>     | <p>The Operator may impose a contractual penalty on the Sender in the amount specified in this Price List, for violations specified in the Regulations for the provision of InPost International services for Business Customers.</p>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                        |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                  |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                       |

This Price List shall be subject to the Regulations for the provision of InPost International Service, International Fast Returns and InPost International Courier to Business Customers applicable on the date of sending a Parcel, in particular with regard to the names and services included in the Price List.

This Price List (treated independently and without an explicit connection with other InPost offers), does not constitute an offer within the meaning of the provisions of the Civil Code.
